What's up my urban people its Shelly Shell with the Word on the Street!

Our Successful Single of the week is Attorney Patterson who received her Bachelor's Degree from LaSalle University, with high honors, and

went on to earn her Juris Doctorate at Villanova University School of Law. Always having a thirst for knowledge and a drive to be the best in her field, Ms. Patterson sought and received an LL.M. (Legal Masters) from the James E. Beasley School of Law at Temple University in Advanced Trial Advocacy, where she joined the select ranks of less than 10,000 attorneys in the nation to have achieved such a degree.

We know her as Danyl S. Patterson a co host of the hit

# Celebrating Dr. Danyl S. Patterson, ESQ

Dr. Danyl S. Patterson of Patterson Law Firm, LLC

talk show Single On A Saturday Night and until this day we have not been told what the S. stands for but we have our own adjectives Sexy, Smart, Sophisticated and Special. Danyl "All of that" Patterson adds a certain sparkle to everything she does. On Saturday, February 2, 2013 Danyl celebrated her birthday with a gathering of many friends and family. She succeeds in bringing together people from all walks of life in such a way that puts smiles on the faces of many.

Danyl S. Patterson, Esquire is an example of a child raised by a village. As an attorney she has dedicated her legal career to providing legal assistance to individuals and communities typically overlooked and abused by in place systems.

Ms. Patterson works primarily in the field of personal injury, with a focus on catastrophic loss cases, to include, medical malpractice, products liability and design defect cases. However, because of the special concerns of many who have been the most grievously burdened by the system, she developed expertise in family law, estate law, and real estate law, as she believes in servicing the client holistically, so that the resolution of one issue doesn't mean the resurgence of another.

Personally, Ms. Patterson has shown a commitment to the communities that raised her, and she has donated countless hours to community development and civic projects to include, urban planning and development, serving on local school committees, working to assess and address urban blight, and to improve our educational prospects for Philadelphia students. Similarly, Ms. Patterson serves on various non-profit boards of directors to

maintain resources directed at children, seniors, business development and community. Those boards are Haddington-Cobbs Creek CDC, ACHIEVE-ability and most recently, Delaware Valley Association for the Education of Young Children (DVA-EYC).

Ms. Patterson's commitment to continuing to grow a thriving inner-city business community has led to partnerships with local churches, civic organizations and businesses and she maintains a thriving small business law legal practice, which includes identification and creation of applicable legal entities (corporations, limited liability corporations and partnerships), grant-writing services, and working on capital campaigns to raise money for business ventures, and resolution of IRS issues for small business.

In 2006, Ms. Patterson founded the Patterson Law Firm, LLC, a general practice law firm that focuses

on personal injury and small business development, while assisting clients with personal legal needs. Although, Ms. Patterson has tried numerous cases to verdict, and received substantial seven-figure verdicts for her clients, she still believes that even the smallest cases deserve Five-Star treatment, such that every client is the most important client, and every case is her firm's biggest case.

If you would like to contact Ms. Patterson to discuss potential representation, please call (215) 472-1833 or email info@pattersonlegal.com
